Planning / Booking Events

The club does have a two-day confirmation policy, which requires a confirmation of the number of people to be attending any function. Confirmation must be received no later two business days prior to the function. The number confirmed is the number that will be prepared for and the minimum number that the member's account will be charged, regardless of the number actually attending. The club has a screen, TV, VCR, podium and amplified microphone that may be used free of charge by anyone using the facilities.

Beverages

Members may provide their guest with an open bar and the member's account will be charged for only the amount of alcohol consumed. Cash Bars are available on a ticket system basis. **There is a \$100 set up fee and a \$10.00 per hour per bartender charge and \$10 per hour cashier's charge for cash bar that will be billed to the member's account.**

El Dorado Country Club strictly follows all Arkansas Alcohol Beverage Control Commission Laws.

The club's general policy is that the club furnishes all alcoholic beverage products.

Food Services

The Club staff can provide a variety of food services to members and their guests. We have a full service kitchen capable of preparing excellent cuisine for small or large groups. Our banquet menu has a variety of items to choose from for every type of function. We can also custom design a menu specifically for your function. If you have a favorite dish that you or someone else has served in the past, bring us the recipe and our cooks will be happy to prepare it for your party.

For groups of sixteen (16) or more people, it is required that a menu be pre-selected. This helps to insure timely service and menu item availability.

The club does not allow the use of outside catering services. The club does not allow any food to be brought in from outside sources, with the exception of specialty desserts such as wedding cakes, birthday cakes, etc.

For receptions if a band or D.J. is used it is requested that they have all equipment in place at least two hours in advance of the beginning time of the event. This is to allow time for the room to cool back down during summer months.

Property & Liability

The club does not allow anything to be taped, nailed, glued, or tacked to any woodwork, ceilings, or walls in the clubhouse.

No rice may be thrown inside the clubhouse. The member or sponsor member is responsible for any damages to the clubhouse during any function and will be charged accordingly.

Additional Costs

The club will charge for additional chairs, tables, tablecloths, glassware, plates, etc. if your event exceeds our current inventory. In addition, the room rental above is for a four hour duration. If additional time is needed, the Club will charge an additional \$300 per hour or any portion thereof.
